PRELIMINARY AMENDMENT

Sir:

Prior to examination, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows. A marked-up copy of the claims, showing the changes made thereto, is attached.

1. (Amended) A light scanning optical system comprising an incidence optical system for causing a beam emitted from light source means to be incident on a deflecting surface of a light deflector at a predetermined angle in a sub-scanning cross-section, and an imaging optical system for imaging the beam reflected and deflected by said light deflector on a surface to be scanned, wherein when a
